

Salford Memory Assessment, Treatment & Treatment Team are holding a carers information stall at Woodlands Hospital for carers week. Staff from the memory team will facilitate the stall to share with families, friends, clients and carers, support services around Salford and GMMH services through the academy.

Clients and families visit Woodlands to attend appointments at the memory clinic and to the 3 wards based at Woodlands throughout the day.

Staff will be facilitating the stall for 3 days Monday 10/06/19 to 12/06/19 in Woodlands reception area at certain times from 10 – 4pm.

At times the stall will be un manned due to work commitments. Information sheets will be available on the stall at all times. Woodlands receptionist will be available during the day and can take messages for staff to follow up from carers if required.
