**RE: FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST - REF: D9312**

Please find our Trust's response in relation to your request for information under the Freedom of Information Act.

*Specifically, I'd like to know to what extent mental health services in England meet the four quality statements issued by NICE on the issue of domestic abuse.*

*I have attached an excel document which includes the four quality statements I referred to above, the questions I'm seeking answers to and a space for your answers and any additional comments. I'm aware from my previous work with mental health trusts that it's unlikely that data is available for all of the questions listed in the document, however it is still useful for me know which areas you don't collect data on so please state where that is the case.*

Please see attached spreadsheet.

I hope the information provided above is to your satisfaction. If you are unhappy with the way, the Trust has handled your request you may request an internal review.

If you require an internal review please write to Sarah McDonald, Head of IM&T Service Delivery, at the address above, who will arrange a review of your case.

If you are not happy with the outcome of the internal review you have the right to apply directly to the Information Commissioner: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Yours sincerely

The Trust is committed to safeguarding children, young people and vulnerable adults and requires all staff and volunteers to share this commitment.
