The Mental Health of Frontline Health Care Providers During Pandemics: A Rapid Review of the Literature.
Magill E, Siegel Z, Pike KM. Psychiatr Serv. 2020 Oct 6:

Health anxiety and attentional bias toward virus-related stimuli during the COVID-19 pandemic.
If you have any further enquiries please do not hesitate to get in touch. Due to the current coronavirus outbreak, the Library and Knowledge Services are operating a virtual service until further notice. We can provide evidence support with literature searches, current awareness and assistance with accessing our online resources.
