[The COVID-19 Vaccine Communication Handbook: A practical guide for improving vaccine communication and fighting misinformation.](#) Published: 7 January 2021

by Lewandowsky S, Cook J, Schmid P, Holford DL, Finn A, et al.

This handbook is for journalists, doctors, nurses, policy makers, researchers, teachers, students, parents – it's for everyone who wants to know more about:

- the COVID-19 vaccines,
- how to talk to others about them,
- how to challenge misinformation about the vaccines.

Joint Committee on Vaccination and Immunisation (JCVI) advises UK health departments on immunisation. JCVI have produced guidance and reports on various aspects of the COVID-19 vaccines:

- [Joint Committee on Vaccination and Immunisation: advice on priority groups for Covid-19 vaccination, 30 December 2020](#)
- [Annex A: Covid-19 vaccine and health inequalities: considerations for prioritisation and implementation](#)
- [Independent report - Optimising the COVID-19 vaccination programme for maximum short-term impact - Short statement from the Joint Committee on Vaccination and immunisation \(JCVI\)](#)
- [Annex A: Report to JCVI on estimated efficacy of a single dose of Pfizer BioNTech \(BNT162b2 mRNA\) vaccine and of a single dose of ChAdOx1 vaccine \(AZD1222\)](#)
